

Dual Pairing “Shake n Shuffle” Bluetooth®/NFC Speaker

Tune into your groovy side with Spire, a multi-point paring wireless speaker with a beat indicator that packs a massive audio punch. Unlike forward-facing speakers that only send sound in one direction, Spire produces an omnidirectional sound output that fills your surroundings in every direction evenly. Enhance this wonderful sound experience and never miss a beat with our specialized beat indicator LED's built into Spire that let you see and feel the beat. It features a highly sensitive touch key control which allows you to navigate through your music playlist with ease or just shake the speaker to skip to the next song. Spire also has an on board auxiliary port as well as a Micro-SD card reader. Dual connectivity options via Bluetooth® v3.0, and NFC which lets you connect your device by simply tapping your NFC compatible smartphone on Spire. The dual pairing option lets you connect two devices to Spire simultaneously. Turn your speaker into a speaker phone with the built-in concealed microphone and one touch answer button for dialog clarity in your voice communications. Music and Conversations made better with Spire

Specifications:

Bluetooth® Version:	3.0+EDR
Bluetooth Profile:	HFP, HSP, A2DP
Input Power:	3.7V/500mA
Output Power:	3W
Impedance:	4 Ohms
Speaker Frequency:	60Hz~20000Hz
Signal-to-noise ratio:	73dB
Charging time:	5 hours
Maximum playing hours:	5-6 hours
Battery Capacity:	800 mAh
Operating Distance:	10 meters
